

Rocket J. Squirrel

- Rocky became the mascot of the Senior Softball Hall of Fame in 2023 based upon his shenanigans as “Director of the Park” at Normain Park
- Always eager to have a French fry or pizza crust, Rocky has endeared himself to players through his friendly and curious personality and inquisitive nature
- As a younger squirrel, Rocky played for Shreveport in the Class A minor leagues
- As a minor leaguer, Rocky once hit .389 and stole 105 bases (which were never recovered)
- Rocky has requested to play in the Mid-America League but has yet to be able to come up with the money to do so
- Contrary to popular opinion, league officials have stated that, “Rocky is not nuts!”
